Scholarships are available for area students

The Community Foundation for Cloud County has announced a number of scholarships for area high school seniors and college students.

The C. Carl Cunningham Rotary scholarship is for students graduating from Concordia High School who plan to attend any accredited post-secondary school, including a college, university, technical or vocational school. Interested students should contact the Concordia Rotary club for more information.

The Cloud Ceramics Masonry Scholarship is for high school graduates who are enrolled in a masonry program at a vo-tech school, with preference given to North Central Kansas Technical College.

The Pauline and Richard A. Cook Family Scholarship is for students from north central Kansas who are sophomores attending Cloud

County Community College, Fort Hays State University, Kansas State University or the University of Kansas. Preference will be given to residents from Cloud County.

The Wayne and Alberta Neel scholarship is for students in academic good standing with preference given to graduates of a Cloud County high school in their second year or above in college.

Those with questions may contact the Community Foundation for Cloud County at 785.243.0115 or visit their web site at www.communityfoundationforcloud-county.org. Applications for these scholarships are available on the Foundation's web site. Applications are due March 31.

The Community Foundation for Cloud County is an affiliate of the Greater Salina Community Foundation.
