Benefits of Giving Through the Foundation

FLEXIBILITY AND SIMPLICITY

It's easy to establish a fund in the Foundation. With guidance from the Foundation, individuals, families, companies and charitable organizations can create a fund that is tailored to their specific needs. Donors who wish to establish their own philanthropic fund can avoid the complexity of setting up a private foundation, yet enjoy similar benefits in grant making with a Donor Advised Fund. Fund minimums do apply when creating a new fund. Gifts of any size are welcome additions to an established fund.

THE POWER OF ENDOWMENT

The foundation offers a variety of giving options, both endowed and nonendowed. However, it is the power of the endowed fund that sets community foundations apart. The Foundation offers the opportunity to benefit the community forever. Endowed funds are invested and earnings are used to make grants addressing community concerns. These funds are a permanent source of community capital—helping to meet important community needs both today and in the future.

COST-EFFECTIVE GIVING OPTIONS

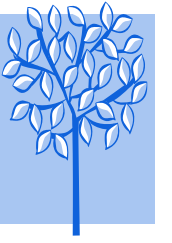

There is no cost to set up a fund. An annual administrative contribution is assessed from each fund. As an affiliate, all assets are held in a pooled investment fund under the guidance of the GSCF Finance Committee. By pooling funds, the Foundation is able to provide donors the advantage of diversified investments and economies of scale in investments and fees. Donors who establish funds of \$25,000 or more may request an outside fund manager.
