

## ***Blosser Foundation establishes funds in CFCC***

The Charles H. and Isabel Blosser Foundation (Blosser Foundation) has made a \$44,000 donation to establish four funds in The Community Foundation for Cloud County (CFCC).

A \$5,000 matching grant was awarded to the Cloud County Historical Society Fund to establish an organization fund for their benefit in the Foundation. A \$5,000 matching grant was awarded to Big Brothers/Big Sisters of Cloud County Fund to establish an organization fund for their benefit in the Foundation.

The CFCC fund (a designated fund) was established by the Blosser Foundation with a donation of \$17,000. The Kansas Health Foundation Fund of the CFCC (a field of interest fund) also was funded by a \$17,000 Blosser Foundation dona-

tion.

"This donation from the Blosser Foundation illustrates the extraordinary opportunity our donors have to have their contributions matched," Bob Steimel, volunteer executive director of the CFCC, said. The Operations and the new Public Health Fund donations will be matched at 50 cents on the dollar under the Kansas Health Foundation GROW II matching grant program and the organization funds donations will be matched at 25 cents per dollar with the half match going to each of the Operations Fund and the new Public Health Fund.

Those wanting to give an endowed gift of any size to any of the funds in the Foundation or to establish their own fund to their favorite charity through the CFCC may contact Steimel.
