

Grant presentation

Jim Wahlmeier (second from left), representing the Cloud County Health Center, receives \$12,500 in grants from the Community Foundation for Cloud County. Bob Steimel (second from right) presents a \$5,000 check from the Impact Fund for Cloud County and a \$7,500 check from the Economic Development Fund to assist the hospital with the cost of a feasibility study to determine facility needs and to evaluate whether to remodel or build a new facility. David Retter memorial funds established the Economic Development Fund and this is the first grant given from that fund. Also pictured are Retter's wife, Susan, and his son, Ben, who is vice president of CloudCorp. (Blade photo by Jay Lowell)
