

The power of five

Pictured above are some of the first contributors to the Brown Grand Light Fund, from left, Ray Harper, Susan Retter, Dale Ferguson, Verna Ferguson, and Donna and Jim Dejmal. The Brown Grand Board of Directors is kicking off a fundraising drive to raise \$5,000 to help replace the lighting system at the theatre. To make the Brown Grand Bright, the Board is soliciting \$5 donations from citizens. The \$5,000 is to match a Greater Salina Community Foundation matching grant of \$5,000 for the stage lighting fund. For more information, contact Susan Cantine-Maxson at the Brown Grand. Total cost of the lighting project is \$30,000 and a \$10,000 bequest from the Vida Tucker Trust inspired the drive to replace the antiquated lighting.
