CFCC board members attend workshop

Scott Condray, Beth Whisler, Bob Steimel, John Gisselbeck and Lorene Steimel represented the Community Foundation for Cloud County at the "Asset Development Workshop for Affiliate Board Members" workshop, April 22, at the Astra Bank in Belleville.

The workshop was presented for the Greater Salina Community Foundation (GSCF) affiliates by Judy Sjostedt, executive director, for the Parkersburg Area Community Foundation, Vienna, WV. The GSCF Education Partner's generosity help the GSCF to sponsor these educational opportunities for its affiliates.

Thanks to our association with the GSCF the Commu-

nity Foundation for Cloud County has a growth opportunity in being accepted for a \$300,000 matching challenge grant in the GROW II matching grant program sponsored by the Kansas Health Foundation. Your local Foundation will be presenting this opportunity to and for the community in the near future.

Those wanting to give an endowed gift of any size to any of the funds in the Foundation or to establish their own fund, which will keep on giving forever, are asked to consider a tax-deductible gift to their favorite charity through the Community Foundation for Cloud County.
